

JULY 2020

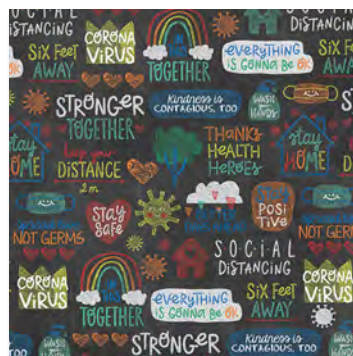

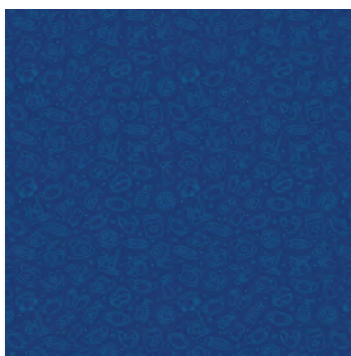

As our nation slowly reopens, continue documenting the historical Coronavirus with The New Normal. This collection perfectly coordinates with Living the Quarantine Life in both its color palette and style, so you can mix and match the papers, stickers and ephemera.

NOT A CREATURE WAS STIRRING...

by Michelle Coleman

Not A Creature Was Stirring covers all the holiday bases, from Christmas Eve to a fun-filled Christmas morning, and every holiday memory in between. Warm hues of cranberry red, balsam and pink frolic with gold, pine green and icy blue to bring an eclectic spirit to all that you create.

CHRISTMAS CHEER

by Michelle Coleman

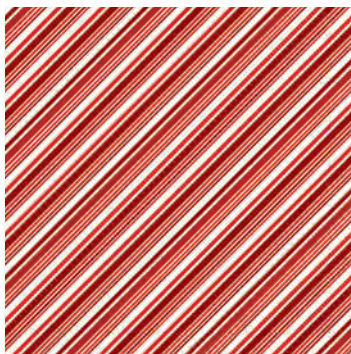

With the perfect blend of nostalgia and a dash of contemporary elegance, Christmas Cheer will make all of your projects jolly and bright. Double-sided papers in winter shades midnight black, berry red and crimson mingle together with a dusting of frosty white.
